Happy Birthday Namrita!

A very happy birthday to Namrita. We celebrated her birthday on the 23rd of August. The vibrant yellow icing on the pineapple filled cake made even the photographer drool. Namrita was certainly delighted. After all, this one day in the year when you and your loved ones can get together and celebrate the day you became you.

Today we celebrated her 32nd birthday and all of us indulged our deepest desires of consuming excess amounts of sugar because what is better than sugar and cream! So, I encourage everyone to go get a piece of cake and raise it to the health and happiness of Namrita. Wish her "Happy birthday" and proceed to demolish the sugary goodness in your hands.... Happy Birthday Namrita.
